BEHPAD

A close-up photograph of a grey fabric with several irregular, gold-colored stains. The stains vary in size and shape, some appearing as small specks and others as larger, more diffuse patches. The fabric has a fine, woven texture.

529

A close-up photograph of a grey fabric with several dark, irregular stains. The stains are more concentrated and darker in color than those in the previous image, appearing as dark grey or blackish patches. The fabric texture is consistent with the first image.

БЕHPAД

A close-up view of a marbled paper pattern, labeled 569. The pattern consists of irregular, organic shapes in shades of light beige, tan, and brown, set against a slightly darker, textured background. The overall appearance is reminiscent of natural stone or organic growth.

569

A close-up view of a marbled paper pattern, labeled 570. This pattern is more complex and darker than the one on the left, featuring a mix of brown, grey, and black tones with a prominent, shimmering metallic or iridescent sheen. The background has a fine, woven texture.
